

YOU ARE WELCOME

ONETABLE 

At OneTable, we have a value of being intentional in everything we do.

We invite you to fill out a name tag with your name and pronouns.

Sharing pronouns is a best practice so everyone knows how to refer to you. No one should guess someone's pronouns just by appearance. Though not everyone may feel comfortable disclosing their pronouns, you can help elevate the space and make an inclusive event by sharing your pronouns.

JOY

Shabbat is a weekly opportunity to create and share joy.

Hachnasat Orchim

WELCOMING

We express radical hospitality, welcoming guests or graciously being welcomed, while honoring the essential value in all human beings.

Kedushah

ELEVATION

Shabbat is an invitation to explore holiness, a sense of "sacred Otherness" by elevating time, space, food, and relationships.
